

## BIOCHEM GLASS / MULTI-USE CLEANER

product for professional use

Publication date: 22-01-2010 Edition n°:00

### Description

**BIOCHEM GLASS / MULTI-USE CLEANER** is an ECOLOGICAL multi-use cleaner to be used on glass, mirrors, plastic, shower screens, computers, tiles, faucets and other shiny surfaces. **BIOCHEM GLASS / MULTI-USE CLEANER** complies with environmental requirements for biodegradability, ecotoxicity and efficiency set forth by the EU ECOLABEL. (EU Directive 2005/344/EC).

### Applications

Due to its unique composition, **GLASS / MULTI-USE CLEANER** is ideal for cleaning glass, mirrors, glazed ceramic tiles, etc. It effectively eliminates fingerprints and film, leaving a streak-free shine and a mild, pleasant scent. Do not use on water-sensitive surfaces. Perform a patch test on a hidden surface to ensure the material is compatible before use.

### How to use

**Spray on:** Spray onto a cloth or directly on the surface to be cleaned and then dry with a clean cloth. Spray directly on stubborn dirt.

### Dosage

Apply without diluting.

**IMPORTANT:** Using the appropriate dosage will save money and reduce its impact on the environment.

### Technical Specifications

**Physical state:** Blue liquid, lightly scented

**pH (100%):** 9,5 ± 0,5

**Density at 20°C:** 0.980 g/cm<sub>3</sub>

**Solubility in water:** Soluble at any proportion

This information relates to the standard values for the product and should not be considered as a product specification.

### Health, Safety and Storage

- Product is NOT classified as hazardous according to the classification system based on EC Directives.
- Keep out of reach of children.
- Do not ingest.
- Do not mix different cleaning products.
- Do not inhale aerosols.
- Full information on how to handle and discard the product is supplied on a separate Safety Data Sheet.
- In case of an accident, call the Medical Service of Toxicological Information on Tel. +34 915 620 420.
